

ADVANCE ORGANISATIONAL BUSINESS ANALYSIS CAPABILITY WITH IIBA CORPORATE MEMBERSHIP

“IIBA’s corporate membership resources helped Nedbank build the Business Analysis Practice Center framework and align roles and career paths with IIBA global standards for the practice.”

- Wilna Coetzee, Senior Manager
Business Analysis Practice Center

Corporate Program membership shows your team that you’re committed to the growth of their careers and improving business outcomes.

- Achieve business objectives at the strategic, tactical, and operational levels
- Address skills gaps and align training and development with business needs
- Stay up to date and help shape the profession
